

MAPPP/Physicians Forum Teleconference Agenda
Wednesday, January 27, 2010
8:00 – 9:00 a.m.

Conference Call-in number: 1-866-410-8857

Access Code Number: Specific to your health department (ask your Health Officer or call Carol at MALPH for the number)

If there is a technical problem preventing you from joining the call, the same problem is probably affecting everyone. Please give attention to your incoming email, because the call convener will be communicating with the MALPH office to resolve the problem, and the convener and/or the MALPH office will circulate guidance as soon as it is available. This will help avoid multiple calls to the MALPH office.

Please keep your phone on mute until you are talking (if you talk and it seems nobody is listening to you, check the mute button!). Also, please do not put your phone on hold. When you have something to say, don't hesitate for a long time, just jump in and say it.

Finally, we will all try to avoid long speeches, so that there is an opportunity for as many persons as wish to, to express opinions and ideas.
